

B.O. ALUMNI BLAST Dec. 2000

BETA OMICRON'S ALUMNI NEWSLETTER, by James Guidry Communications

Goals

Beta Omicron Gets New House. On Wednesday, December 20, 2000, Beta Omicron bought a new house. The purchase of the house took place through the newly organized Beta Omicron Alumni Chapter of Pi Kappa Phi Housing Corporation, Inc. Board Members of this Corporation are Mike Allain, Robert Broadwell, George Etheredge, Shelton Eubanks, Scott Roach, Robert Wagnon, and Rick Yates. Through the guidance and outstanding efforts by each of these individuals, the dream of attaining a house became a reality. Special thanks are certainly in order for David Morgan's invaluable input and Mike Shannon's timely efforts with legal assistance regarding the Articles of Incorporation.

In a very short period of time, our housing corporation was able to raise over \$25,000! THANK YOU goes out to each of the following brothers for their financial contributions: Mike Allain, Andy Bachman, Paul Begue, Charles Bice, Robert Broadwell, Pat "Yank" Burns, Calvin Campbell, Billie Cook, Mike Edwards, George Etheredge, Russell Evans, James Guidry, Bruce Kinder, Roland McKneely, Tommy Ferguson, Jerry Lee, Huey Fitch, Shelton Eubanks, John Hennigan, Gary LaHood, Gary Leonard, George Mandeville, Kevin McCain, Neil McFarland, Steve McCutcheon, David

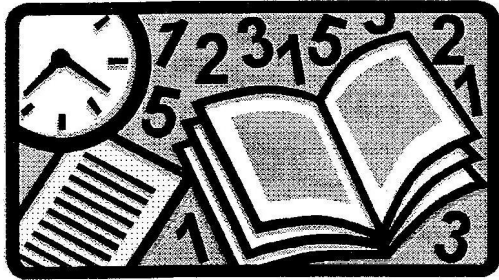

Morgan, Mike Murphy, Doug Nichols, Billy Plunkett, Scott Roach, Bill Traylor, Robert Wagnon, Steve Wiggins, Danny Woodson, and Rick Yates. It should be noted that \$1000 was donated in remembrance and honor of Freddie Goodman (deceased).

Along with the money raised by this group, Pi Kap Properties loaned us \$40,000, and \$80,000 was borrowed from City Bank and Trust in Natchitoches. The housing corporation has already received good news in that the appraisal of the house came in at \$130,000, for an equity gain of \$10,000.

With the chapter growing in size, there is no doubt that the addition of the house will be an asset in helping Pi Kappa Phi set the standard of all fraternities on the NSU campus. Already, the chapter has quite a few accomplishments. With the highest GPA of all Greek Fraternities, ΠΚΦ leads the way in academia. The house will now give the chapter another sense of accomplishment and serve as a common meeting place for members and Alumni alike.

Members of the undergraduate chapter will begin moving into the house on Saturday, January 6, 2001. **An unofficial Open House will be held then with all Alumni, their families, Actives and Associates of Beta Omicron Chapter invited.** Please show your support by participating in this exciting groundbreaking event. The house is located at 730 College Drive in Natchitoches, which is right across the street from Campus.

has been established through the Pi Kappa Phi Foundation, to encourage alumni and allow others to make tax-deductible contributions on behalf of the Beta Omicron Chapter. Chapter House

The \$25,000 contribution for the house was well within the projection of what was needed for the purchase of the house. Soon, each alumnus will receive information for monthly bank draft commitments. These contributions are necessary to meet the cash flow requirements of maintaining the house. The goal is for at least fifty contributors willing to donate at least \$20.00 a month. If questions arise regarding draft contributions, contact:

or

The house, at present, is being renovated for occupation by the first six tenant-members. The house will be completely furnished, including a recreation room equipped with pool and foosball tables. Located across from campus, the house is easily accessible; the members can walk to classes.

A big THANK YOU to all of the Alumni who made contributions, and a big hand to the Board of Directors of the Beta Omicron Alumni Chapter of Pi Kappa Phi Fraternity Housing Corporation, Inc. for a job well done. Without all of your help this would not have been possible

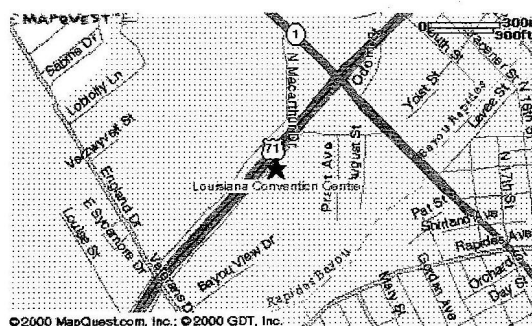

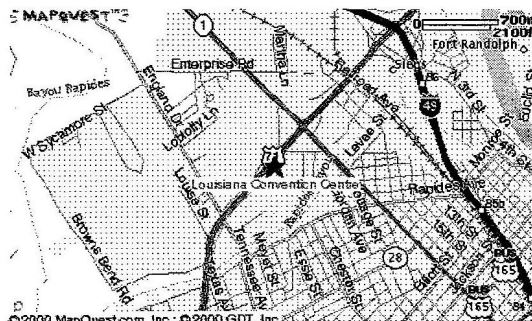

The house will be a landmark for all members of Pi Kappa Phi and Phi Kappa Nu alike; to meet, get acquainted, rekindle old friendships, and share in a common Brotherhood.....
