7:00 p.m.

Alumni and Active Party at the Ramada Inn's Old Fort Pub (formerly Holiday Inn on Bypass)

Homecoming 2004

It's that time of year when the leaves start to change and there's a nip in the air. We all associate this time with college football and our memories of yesterday. So holds true to the brothers of Pi Kappa Phi's Beta Omicron Chapter. 2004 marks the sixth year that Beta Omicron will celebrate homecoming festivities since our re-organizing back in 1999. In these short years, brothers have found old bonds of friendship and discovered a new sense of brotherhood. We all get excited to return each year back to our roots of brotherhood in Natchitoches. This year's homecoming activities include an array of events that will entertain both Actives, Alumni, spouses and family members.

We are looking forward to seeing everyone again this year and hope to see a few more faces from the past. It's an exciting time to be a Pi Kapp with our National Fraternity reaching its 100th year and Beta Omicron in its 49th year at NSU and taking home many prestigious awards at the Centennial celebration. There is no better time than now to join in on the celebration. If you have any questions about events or the chapter in general, and to RSVP for Homecoming, please feel free to email Wes Breeden at wesbreeden@aol.com or Chad Black at thelessar@yahoo.com.

Pi Kapp Celebrates 100

What an exciting time to be a Pi Kapp. In August of 2004, Pi Kappa Phi celebrated its one hundred years of brotherhood at Supreme Chapter in Charleston, South Carolina. It was a star studded cast of attendees in the audience which included Randy Owens of the country singing group Alabama, Lindsey Graham, the South Carolina Senator, along with astronauts, governors, entertainers and a few Beta Omicron brothers. Brothers in attendance included; David Morgan Sr., Michael Allain, Ruben Tweedy, Steven Austin, Wesley Breeden, Robby Bartnik, and Kai Boyette.

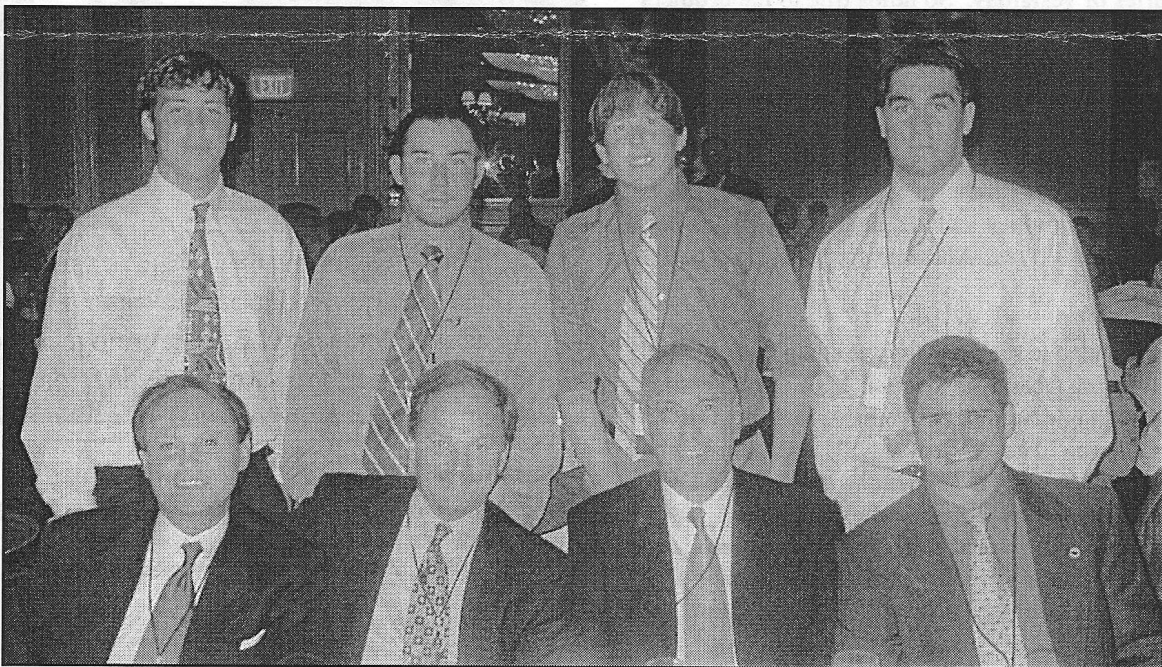

The event was a very memorable one for the Beta Omicron Chapter, having won national awards for service, recruiting and being recognized as an ideal chapter. During the festivities brothers unveiled a new gift to the College of Charleston, a bell tower...a symbol to all brothers that it is time to show our presence and ring in the new century as well as provide a new beacon for those to come. Having the opportunity to soak up the history of our founding at the birth place of our fraternity was an experience that every brother should have the opportunity to undertake. Taking the brief stroll through the founders gates, past the rose garden, and under the clock, gives you a sense of how far we all have come since our founding, but yet how true we stayed to our principals.
